CTSAC PARENT TESTIMONIALS

"CTSAC offers a wonderful variety of summer camp programming for my children. The staff are kind, engaging and responsible. I know that when my children are at CTSAC summer camp they are in great hands. I know they will have a summer filled with fun activities like swimming, learning about art and culture and they are also building great friendships!

- Christine Ticehurst

"The staff at CTSAC are exceptional and committed to the student and the program. The location is secure and the children are safe and happy. It is a wonderful opportunity for families to have this in our school district. No other program combines all the essentials a parent needs: wonderful and qualified teachers, safety, fun activities at a great price."

- Robin Burtner

"We love the summer program offered by CTSAC! We feel comfortable dropping our children off in the morning knowing there is a staff of warm and caring individuals guiding them. We are impressed with the variety of activities offered to the students, from arts and crafts to sports, to board games. Our children wear their tie-dye shirts from last year with pride, and we showcase their sponge art proudly at home. The CTSAC Summer Program is one of a kind!"

- Rob and Allyson Fulton

"Our girls love CTSAC summer camp and program. The mud battle is their number one favorite event, but they also enjoy time making crafts, reading, playing small and large group games, and being outside at the playground or participating in water games. At the end of a camp day, the staff give us a recap on the days events and our girls are excited to return the next day. We are looking forward to another CTSAC summer of fun!"
