FAMILY EXPERIENCES

"Our CTSAC Summer Camp experience has been a wonderful one for many years, as both my oldest and youngest child have attended. My son looks forward to going to summer camp each day. Every day is a new and exciting adventure at camp. Whether they have activities planned on site, are going to the pool, or going on their weekly field trip, it is always a fun filled day. The staff puts a lot of time and effort into the program to ensure our kids have an enjoyable summer. I am happy to have found this program that provides endless fun and excitement for my child over summer break. The memories he has made are priceless, and the staff is amazing!"
– Amy Tuckey

"Our fourth-grade son has attended CTSAC every summer since kindergarten, and he looks forward to it as soon as school ends. Lots of activities and field trips keep him engaged, and he's met many friends outside his neighborhood and school. The staff is great, both kind and professional, and the program flexibility makes it easy to pull him out for travel and other summer activities. He'll definitely be at CTAC until he ages out, and his little sister will be going to "camp" as soon as she's in grade school. Highly recommended!"
– Steve Marzolf

"Our daughter loves CTSAC Summer Camp! Her days are filled with structured activities, field trips and endless fun. As parents, we feel confident that she is safe, supported and well cared for. CTSAC has a unique summer program that promotes adventure, learning, growth and friendships!"
