Shaping Emotionally Intelligent Children Through Active Play!

Where School Begins and Ends Thoughtfully designed for children.

Before and after school at CTSAC feels easy for kids. Mornings and afternoons are a mix of play, connections, and routines they can count on, helping children feel comfortable and supported.

Our teachers take the time to know each child. As friendships grow and confidence builds, kids feel safe to try new things, be themselves, and enjoy being part of the group.

By the time families arrive, children head home tired, happy, and excited to come back tomorrow.
